

## *Soap Sets ~ \$21*

Each set contains three bars of soap, one bar of each scent listed.

### *~ Lavender ~*

#### **Lavender Provencal**

Created with dried lavender flowers and floral essential oil, gentle on the skin with light exfoliation.

#### **Lavender Mint**

Created with local goat milk, kaolin clay and mango butter. Scented with a blend of two mints and lavender.

#### Lemon Lavender

### *~ Snowflakes ~*

#### **Peppermint**

A stunning batch I was lucky enough to create with my mom, the woman who taught me how to make soap! Made with rich cocoa butter and kaolin clay, scented with peppermint.

#### **Bergamot Mint Sea Salt**

Rich shea butter and sea salt make this luxurious smooth salt soap a treat in the shower. Scented softly with bergamot mint –known for its light citrus rind aroma with a hint of garden mint. Ideal for sensitive skin.

#### **Hot Cocoa**

Left unscented for the most sensitive skin. Made with strongly steeped mushroom tea, natural cocoa butter (which lends its wonderful chocolaty aroma to the soap), cocoa powder and heavy cream.

## ~ *Stones* ~

### **Cedarwood Patchouli**

Created with strongly steeped mushroom tea, Rhassoul clay and raspberry seeds. Scented with bold earthy notes of woody cedarwood and rich dark patchouli.

### **Earth**

Created with activated charcoal, scented with earthy notes including patchouli, cypress and cedarwood.

### **Blueberry Lemongrass**

Created with just two oils, these stunning black, teal and ivory stones are boldly colored and boldly scented. Made with activated charcoal, scented with bright notes of lemongrass and sweet blueberry jam.

## ~ *Sea Salt* ~

Salt soaps, created with fine sea salt are rock hard, long lasting, silky smooth and gentle on skin. Salt acts as a softener for skin without drying effects. Try one- you'll be glad you did!

### **Lemongrass Sea Salt Rounds**

Created with sea salt, silky smooth and scented with bright citrusy notes of lemon, lemongrass and Litsea.

### **Sandalwood Salt Stones**

Created with rich shea butter and sea salt. Silky smooth on the skin, scented softly with rich earthy notes of sandalwood.

### **English Rose**

Created with rich shea butter, kaolin clay and sea salt. Silky smooth on the skin, scented boldly with Rose Otto Absolute (google this bad boy) and topped with butterfly pea flowers.

~ *Sweet* ~

**Apple Empanada**

An old fashioned recipe featuring modern additions including black tea, kaolin clay and honey. Sweetly scented with notes of apple cider, golden crust, crisp apple and apple fritters.

**Schatzi**

Created with fine pumice for gentle exfoliation. Soft notes of Earl Grey tea, bergamot, tangerine and green leaves.

**Monroe**

Made with rich cocoa butter and lanolin for winter. Notes of apple, peach and grapefruit with notes of cherry blossom and hydrangea. A hint of vanilla and powder round out this best selling soap for us.

~ *Mint* ~

**Mint Tea**

Delightful in its simplicity...Notes of peppermint, spearmint and bergamot mint scent this bar. Created with mint leaves from the garden, milk, rich mango butter, kaolin clay and local raw honey.

**Tea Tree Mint**

Made with local beer (for the creamiest lather) and charcoal. Bold notes of tea tree and peppermint essential oils scent this stunning looking soap.

**Fella**

Absolutely the best minty blend. A rich recipe including almond oil, jojoba oil, Vitamin E oil and heavy cream. Scented with a blend of essential oils including juniper, mint, rosemary and lemongrass. We've blended mint leaves from the garden into this batch.

## ~ *Facial* ~

### **Tea Tree**

Created with activated charcoal, local raw honey, coconut milk and tea tree essential oil. Charcoal gently exfoliates, while tea tree oil is touted as anti-bacterial and anti-microbial. Ideal for oily or acne prone skin.

### **Pumpkin**

Created with Babassu oil (a light easily absorbed oil that won't clog pores) and pumpkin puree. Left unscented for the most sensitive skin, ideal for all skin types.

### **Mexican Saffron Sea Salt**

Left unscented for the most sensitive skin, created with rich shea butter and azafran petals. Sea salt is a gentle non-abrasive exfoliant and softens skin without drying. Ideal for all types of skin.

## ~ *Mix N' Match* ~

Any of the above bars – choose the soaps that speak to you. If you want three of the same, that's fine, or change them all up!

## ~ *Dragon Trio \$27.00* ~

This trio of soaps includes one of each dragon design- dragon landing, flying dragon and dragon eye. You'll receive one each of:

### **Rosemary Juniper Sea Salt**

Created with sea salt and local raw goat milk. Silky smooth, scented with rosemary and juniper essential oils.

### **Jetzskis**

Made with local goat milk and a pinch of fine pumice. Scented boldly (she was a bold soul) with patchouli and spearmint.

## **Peppermint Lemongrass**

Brightly scented with peppermint and lemongrass. Made with aloe vera from the garden and ground carrots.
